<p>Kingston FHT Description</p>	<p>Currently our team consists of 19 physicians, numerous interdisciplinary health professionals and administrative support across 5 sites. We provide primary care to the people of Kingston and the surrounding areas, with many programs to meet our patient’s needs. We have opportunities for taking an already-established practice from current physicians looking to retire, and we also have opportunities to take a currently vacant spot and start your own practice. These are excellent opportunities in a supportive and professional environment for Family Medicine Practice in one of Ontario’s finest cities.</p>
